Installation takes part in 'Make a Difference Day'

"Make A Difference Day" is scheduled for Oct. 23, 8 a.m.-4 p.m. at various locations.

"Make A Difference Day," nicknamed "the national day of doing good," was created in 1992 by USA WEEKEND in Partnership with the Points of Light Foundation.

This day challenges people nationwide to spend the fourth Saturday in October "making a difference" in their communities and in the lives of others by participating in a volunteer service project.

Residents, groups, students, families – everyone can participate to inspire a child, feed the hungry, walk or run for the needy, comfort the sick, clothe the poor, clean a park, improve housing areas, be a friendly visitor and a community.

Volunteer projects include City of Marina's Locke Pad Park clean up, Walk/Run-a-th for the Homeless, painting and building projects, curb stenciling, clean up homeless shelters, playground areas, sandboxes, housing message boards, Defense Language Institute Foreign Language Center cemetery clean up, and DLIFLC theater area clean-up.

Volunteers are needed as project coordinators and to visit children at the Homeless Shelter child care facilities Oct. 22, 1:30-2:30 p.m.

Individuals may also contribute by making donations. Individuals may drop-off donations Oct. 23, 8 a.m.-4 p.m. at Martinez Hall on 12th Street on the former Fort Ord near the Presidio of Monterey Annex.

Canned food items, handmade or new single-bed blankets for elderly, new toys for children, old bicycles for homeless veterans returning to work, household utensils, cookware, children's clothes, male or female business work clothes for homeless and victims of domestic violence returning

to work are all appropriate donations. Baked goods, which are also needed, can be dropped off at Army Community Service Oct. 22, 8 a.m.-4 p.m.

For volunteer registration or for more information, contact Theresa Matthews, installation volunteer coordinator, General Stilwell Community Center, Presidio of Monterey Annex, 242-7510 or 242-7660.

Recent issues raise questions about personal safety, security

Hello,

Good to be back again at the Presidio of Monterey and the former Fort Ord. It is great coming back home especially after being in the national capital for an extended time for special duties.

Would like to talk with all of you about our own personal security. Several issues have come up during the past month that have caused some anxiety. There have been some questions referencing the Christina Williams tragedy and other information which came forth at the same time period, ultimately asking whether or not we are safe in our housing areas.

In the past our closed posts with fences and gate guards gave us a bit of a false illusion of security. We get the illusion that people who want to

do us harm will be kept out by gate guards and fences. Many bombings and other violent acts by human beings against their fellow man take place in spite of fences and guards.

A question has come up about background checks for all our people so we know who they are and can feel that they are trustworthy. Even our most extensive checks, like those for top secret clearances, can still have aberrations. They can never tell us what is really in the mind or motivation of an individual. When we live in civilian communities and call in for a repairman, we really don't know much about the person. There really is no perfect system in either civilian or military life that will provide perfect security for us.

Army Col. Peter Dausen
Garrison Commander

Safety and security ultimately come from our own communities and our relationships with our neighbors. Are we watching out for each other? Do we have a neighborhood watch program in place? How can we best protect ourselves and our children from harm? I am looking forward to a dialogue on these issues with you at our next Town Hall meeting.

Thanks for listening.

Military Family Week

Army Community Service seeks photos of family life

By Kay Alvarado
ACS Outreach Coordinator

November is the month of giving thanks, and Army Community Service would like to thank those service members and families who make significant contributions and personal sacrifices every day of the year. Those selfless services are invaluable to our mission and to the morale of our armed forces.

We're asking the military families of Monterey to help ACS by lending

us a photograph that shows them engaged in an activity together, for example, eating dinner together, building a tree house together, washing the car together. A strong family life is important to the morale of our armed forces.

These photos will be displayed at the General Stilwell Community Center during Military Family Week Nov. 14-20, and the photographs will be returned.

We'd like to show our appreciation to these families by inviting everyone

to attend our Thanksgiving dinner Nov. 17, 5-7:30 p.m., at the General Stilwell Community Center.

For more information and reservations for the dinner, call 242-7801.

The deadline for the photo entry is Nov. 8. Please mark the photos with name and phone number so Army Community Service can return them to their owner.

For more information on the request for family photos, call Army Community Service at 242-7660.

'Light in the Night' event offers safe alternative to traditional Halloween trick-or-treating routine

By Navy Lt. Michael Kuypers
Officer's Christian Fellowship

Many parents these days are concerned about the increasingly negative and disturbing events surrounding Halloween. If you are looking for a safe, fun, positive alternative to the traditional Halloween trick-or-treating, come join us for the Sixth Annual "Light in the Night" Celebration.

This event, which has been a resounding success in the military community over the past five years, is sponsored by the Presidio of Monterey Annex Chapel and the local Officer's Christian Fellowship. The event grew out of a desire for local military families to provide a safe alternative to traditional Halloween celebrations.

The purpose of the evening is to celebrate Jesus Christ as the "Light in the Night" in an atmosphere that is fun and rewarding for all who attend.

The event is open to all and will be held Oct. 31, 6-9 p.m. at the POM Annex Chapel, located on North-South Road between Gigling and Normandy roads.

Activities will include games with prizes, candy for all, a puppet show, clowns, crafts, face painting, family photo booth, and more. There are even door prizes for the adults. Children and adults are welcome to come in costume – something non-scary please. We look forward to seeing you there.

Volunteers are still needed, so if you would like to help with this event in some way or would like more like more information, contact the POM Annex Chapel office at 242-7620.

- ❑ The annual registration fee now has two options: \$15 per child or \$35 per family per year. The registration fee is now transferable to other Army posts.
- ❑ The most significant change is an additional category for patrons who have a total family income of \$70,000 or more, Category VI. Monthly fees for Category VI patrons are set at \$499.

All CDS patrons will be given a 30-day written notice prior to any increase in fees.

Soccer update

Yard Dawgs win first game of fall '99 soccer season

By Dean Lewis

Manager/Coach of the Yard Dawgs

The Yard Dawgs, the Defense Language Institute Foreign Language Center Post Soccer Club, is made up of military personnel from all services at the DLIFLC.

The team members are either returnees from last season's team, or new members invited to play based on their outstanding play during the DLIFLC Intramural Soccer Season.

The Yard Dawgs started the fall '99 season in the Monterey Peninsula Soccer League Sept. 26 with a defeat of the Bayern Monterey Soccer Club.

The Dawgs led at halftime by a score of 4-0 after goals by Chris Humphreys, C Company, 229th Military Intelligence Battalion; Alex Purta, D Company, 229th MI Battalion; Tighe Smith, 311th Training Squadron; and an excellent left-footed strike by Sean May, E Company, 229th MI Battalion.

The second half started with a surge by Bayern as they narrowed the score to 5-2, but the Dawgs prevailed on goals by Tom Sullivan, E Company, 229th MI Battalion, and Wael Ahmed, Marine Corps Detachment, for a final tally of 6-2. Jason Rappold, MCD, and Dan Bailey, C Company, had excellent defensive performances.

The team practices once a week and plays on Sundays in Marina. The roster is limited to 18, but new or prospective players are encouraged to contact the manager as there is a significant turnover rate from student graduation and, unfortunately, injuries. For more information, call Coach Lewis at 242-5549.

Explanation of classified ad policy

The following information is provided to explain and clarify policy for individuals who would like to publish classified ads in POM-Mart.

Military members, retirees and Department of Defense civilian employees with valid identification cards are authorized to place classified ads in the Community News.

To place an ad in the Community News, complete the form on the back page of the Community News and deliver it to the Public Affairs Office, Building 614, Room 142, Presidio of Monterey, 93944. Ads may also be sent via e-mail to the editor at wright@pom-emh1.army.mil. Individuals should be sure to include all information requested on the form, including the category of the ad.

Daytime work telephone numbers are for use by Community News staff only; they will not be listed in ads. Individuals may place up to three ads per household in different categories per issue. **Each ad should not exceed 35 words; itemized property for sale should be valued at least \$10.**

The Community News staff will make every effort to publish ads accurately, but we reserve the right to edit ads to meet readability, format and space requirements. Report typographical errors to the editor, and they will be corrected in the next available issue.

Acceptable classified ads include items in the categories of Autos; Motorcycles; Trucks, Vans, Sport, RVs; Wanted; Sports Equipment; Entertainment, Music Items; Computers and Accessories; Lost and Found; Miscellaneous; Pets or Household Items. Items must be for one-time sale or for free – not for a profit-sharing venture of multiple items. The Community News does not take responsibility for items advertised.

Classified ads for businesses, rentals, free information, help for hire or tutoring, or illegal items are not authorized. Each ad will be published in **three** consecutive issues unless it is renewed or cancelled.

The date the ad was first published is printed in parentheses following each ad. For example, ads dated (09-24) will continue to run through the Oct. 22 issue. Classified ads may be renewed or cancelled by phone; however, new ads, additions or major changes to ads must be done in writing before the Wednesday deadline for the next issue. **Deadlines are generally a week and a half prior to the next publication.** When calling in reference to an ad, be sure to identify the category, first few words of the ad, phone number as printed and the date following the ad.

Deadline for the Oct. 22 issue is Wednesday; deadline for the Nov. 5 issue is Oct. 27.

Please refer questions concerning this policy to the editor of the Community News at the Public Affairs Office, at 242-5104 or 242-6426.
